Project Information Request

Thank you for contacting Solomon Home Designs to inquire about a quote for your project!

A note about pricing: Every project is unique. I'll need to learn about both your project and your property to provide an accurate quote. Please fill in the information as best as you can and then let's plan a time to talk to make sure I understand your vision and goals.

What type of project is it? Addition, remodel, casita, custom home

Describe the project in your own words:

What is the property address?

Approximately how many square feet are you planning to add or change?

Is your property flat or sloped?

Do you have a survey?

Do you currently have, or will you need a septic system?

Does your property have any of the following:

Land features such as a wash or large boulders?

A well as the water source?

HOA or design review?

Is there any other relevant information about your project or property?

Please email this completed questionnaire to: melindasolomon108@gmail.com

Please also send any existing photos and plans, as well as any doodles or sketches and inspiration photos that you may have. Then we'll set up a time to talk.

Let me know if you have any questions.

I'm looking forward to talking with you!
